

2011 ALLOCATIONS

Our donors create legacies through the establishment of endowment funds which are invested with professional money managers under the guidance of the Foundation's Investment Committee. Annual proceeds (5%) are allocated annually according to donors' instructions.

Designated funds enable donors to select programs or causes to sustain in perpetuity. Allocations in their names are made annually to those organizations which are most meaningful to them.

Family Foundations / philanthropic funds offer an easy and meaningful way to give as a family. Allocations are decided on an annual basis in consultation with family representatives.

Undesignated funds are created by donors who wish to leave a legacy without any restrictions. These funds enable the Foundation's Allocations Committee to respond to changing needs of our community and fund innovative projects.
