## WHAT BT KIDS CARE ABOUT

**B'nai Tzedek** is founded on the fundamental principle that **tzedakah** is a cornerstone of a meaningful Jewish life. In Judaism, **tzedakah** denotes far more than just a passive act of charity. **Tzedakah** is a lifestyle: it's about serving instead of taking; it's about standing up for what you believe in; it's about changing the world. By empowering teens to engage in philanthropy, fundraising, community service and social action projects, B'nai Tzedek aims to foster a vibrant community of young, involved Jews who are committed to the true value of **tzedakah**.
